OFFICE OF DISTRICT COUNSEL

MEMORANDUM

DATE: September 13, 1994
TO: Cheryl Wade, Acting Manager
Budget and Finance

FROM: Robert Kwong, Senior Deputy District Counsel
Frances Keeler, Attorney /s/ FLK

SUBJECT: Change of Operator Application

This is clarification to the memorandum dated December 10, 1993 from Robert Kwong on the same subject.

In the event a company wishes to purchase equipment (or purchase the entire company) from another company which has existing permits to operate that have expired less than one year before the purchase for non-payment of fees, the new company may pay the back fees of the permittee and file a change of operator application. Until such transaction is complete, however, the new company may not operate the equipment.

Please feel free to contact either of us if you have further questions or concerns.
